

I READ MINUTES

while wearing pajamas	on Tuesday	with my favorite blanket	before bedtime	on the couch
in a fort	while having a snack	on Friday	first thing in the morning	in my bedroom
on Thursday	after a bath or shower		after breakfast	after playing outside
after working on math	before eating lunch	after helping with chores	on my favorite chair	on Monday
with someone else	with a flashlight	after dinner	on Wed.	on a pile of pillows
